# THE ECHO

## 1960

*Brookfield High School*

*Brookfield, Ohio*

*Volume I*

# *Foreword*

We are delighted with the "new look" of Brookfield High School. It is evident that school officials and architects have given much thought to the planning of this building. Basically the aim of faculty and students is the same: to prepare young men and women for successful living in our complex society. It is imperative that every student formulate his own plans; for, "Each one is the architect of his own future."

In preparing the 1960 Echo, we have sought to capture some of the spirit and memorable moments of our formative years here at Brookfield. It is our earnest hope that this year's Echo will be a constant reminder of the many friendships and associations you have known and enjoyed together. May you cherish them always.

# *Building Under Way*

Students with roaming eyes and curious minds stared and wondered at the possibility of this rough looking structure becoming a school. A few would take sly walks to see the new project. However, the students were speechless and pleased when they entered for the first time the ultra-modern high school on September 8, 1959.

The new six unit Senior High School building met with the students' approval when they first set foot into its extra spacious corridors.

The student body wants to extend their sincerest thanks to their parents and many friends who voted for the Bond Issue on November 6, 1956.

The builders, Jennings and Churella, Inc., broke ground on February 25, 1958, and completed the $975,000 project on August 15, 1959.

KENNETH V. HIESTAND

Bachelor of Science and Master of Arts,
(Kent State University)

Members of the graduating class of 1960, I congratulate you upon your accomplishment and extend to you my best wishes for your future.

It was Ralph Waldo Emerson who said, "Hitch your wagon to a star." He used this figure to suggest to us that we keep before us a high goal in life. He probably used the idea of a star to represent a goal which is high, idealistic and worthy of attainment. The wagon symbolizes the practical desire or determination within you.

As you look through your yearbook in the years to come, may it bring back all your happy school memories you so justly deserve. Congratulations are in order to our Echo Staff and its advisor for a yearbook of which we can be justifiably proud.

Sincerely yours,

Kenneth V. Hiestand

*Secretary to Superintendent*
ISABEL HALL

Mr. Hiestand's secretary, Mrs. Isabel Hall, also a graduate of Brookfield, is a very efficient and pleasant person to know.

*Secretary to Principal*
JOSEPHINE MITROVICH

Josephine Mitrovich, Mr. Barrick's secretary, is a 1957 graduate of Brookfield High School.

We can remember her for her pleasant smile and busy fingers.

JOSEPH P. BARRICK

Bachelor of Science, Master of Supervision,
(California Teachers' College, Ohio University,

To the Seniors of 1960

This century presents challenges to your generation as no other time has given.

You go forth as the first class to be graduated from this school. We have faith in each of you.

This faith is based on the belief in things that America stands for.

You will live true to the traditions of your inheritance—your right to live in a world where the worth and value of the individual are based upon his contribution to the promotion of a better world.

May you go forth with faith in yourself. The hope of the future is in you.

My best wishes go with you.

The very active high school Concert Band is composed of the top three grades. They perform at many activities throughout the winter and spring season, as the winter concert, spring festival, and pep meetings.

The qualifications are, you must have a C average, like music, be talented, and you must attend all rehearsals and performances.

# *Senior High Majorettes*

The beauty of the Brookfield High Marching Band is the high strutting majorettes.

The majorettes are chosen for their talent in twirling, their attractive appearance and their personality. They must play an instrument. It is necessary for them to attend all performances and rehearsals and be competitive, cooperative and have initiative. They must maintain a C or better average in grades. They have tryouts at the end of every year and are chosen by the upper three grades.

The majorettes perform at all the pep rallies, football games, and at the annual Spring Festival.

This year's group of majorettes was led by Betty Obermiyer.

# *Junior Varsity*

The main purpose of the cheerleading squad is to back the Brookfield Athletic team and create a fine school spirit.

Cheerleaders are chosen by a committee of judges consisting of football and basketball coaches, the faculty athletic manager, two women faculty advisors, and senior cheerleaders.

This year's group of four sophomores are to be credited for their many hours of cheering they have given us.

## *Senior Cheer*

Brookfield High's Varsity cheerleaders consists of five girls and one substitute under the guidance of Miss Des Harris. Football season brings about the first activity for this enthusiastic group. Here they brave wet and cold weather to lead the Warrior fans in cheering. After football season comes basketball, at which our spirited cheerleaders yell their hearts out for the occurance of a victory.

All in all, the squad is very active throughout the school year.

# *Junior High*

The energetic Junior High Cheerleaders lead the crowd in cheering the Junior High basketball and football teams on to victory. The valuable experience received by these girls now will help them when they enter the tryouts for the Senior High Cheering Squad. The girls' advisor is Mrs. Alma Landles, Physical Education teacher.

# *Homecoming Queen Karen Brooks*

The Homecoming Queen of Brookfield High School is chosen by the student body from the five girls put up as candidates by the football team.

Blonde-haired, blue-eyed Karen Brooks, Homecoming Queen of 1959, represents to the student body the ideal of girlhood. It is one of the highest rewards of beauty and character that a girl can receive in her high school career.

On Saturday, October 3, Queen Karen and her four attendants, Betty Obermiyer, Margie Kushner, Rita Johnson, and Patti Quartini reigned over the Ashtabula Saint John's game.

Although the night was scattered with frequent thunder showers, it lost none of its meaning or importance.

It was indeed an event that will be remembered by all.

# TO THE CLASS OF 1960

In the greatness that is America, opportunity for all citizens of our country abounds at every turn.

To succeed in one's chosen field or profession requires nothing more than to prove ability to handle a task when the opportunity arises.

But never in our history has the need for thorough preparation been greater. Business, industry and the professions are advancing in technical leaps and bounds that have created an unprecedented demand for well-trained young men and women.

To you who have completed your high school careers, we urge you, as others have no doubt urged you, to go further, no matter how difficult the struggle may seem at the start. Assistance in the form of scholarships and educational loans are available as never before.

The opportunities are there — we hope you will take them.

# It's All Up to You!

To hear yourself referred to as a "graduate" must sound fine. How many of you think of this word as meaning "the end of your primary schooling?" If you do, you're looking in the wrong direction. Look up the word "graduate." Its derivative "gradus" means "step." Here's the meaning to consider. Your graduation means simply, you're rising to a new step, a new challenge.

The schooling you received these past twelve years was merely preparation for that next step. Now, it's up to you. Where is your next step . . . further schooling . . . on-the-job experience . . .marriage? Whatever your next step, consider it seriously, for it may mean the direction your whole life pattern will assume.

There is no doubting that, up or down, one step leads into another. And it's all up to you. Only up to you. Whatever your decision, we wish you much good luck in the many steps to come.

YOUTH AND THE WORLD

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its door
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled and gray,
It's a world that is being reborn every day."
